

# Make Money - John Smedley

13/10/93

John Smedley had the idea, having read the 1966 version, + ~~it~~ proposed it to David Boddell -

Starts paper with light proportion of coins - is quite early existent -

The 1966 idea came from Skell D-1 in the USA -

Denters paid the 50p, £1, out of their tills - this was a prob of their contribution -

Don Alty proposed the design of 1 year coins + all the artwork -

Talk John what we intend to do for coin Make Money - is rather low we will run it - is units, distribution of notes, breaking the moulds of 1 valuable notes - geographic readings is one £1,000 coin in 12p, one in NI etc etc -
