LONDON (Reuters UK) - Royal Dutch Shell (RDSa) plans to cut 350-450 senior management roles as it restructures to cut costs and improve operational performance, according to a website to which Shell employees post internal information.

The cuts represent almost 30 percent of Shell's "Senior Executive Group" layer of management, John Donovan, the operator of the [Royaldutchshellplc.com](#) website said. Earlier this week Shell announced a major restructuring but gave no targets for job or cost cuts.

The [Royaldutchshellplc.com](#) website was the first to reveal news of the planned restructuring.

Shell declined to comment.
