Shell 'defers downstream IT investment' - report

By: AFX | 30 Oct 2009 | 05:30 AM ET

T Text Size - +

LONDON, Oct 30 (Reuters) - Royal Dutch Shell Plc is to delay investments in information technology systems at its downstream oil refining and fuel marketing unit to cut costs, a Shell protestors' website said on Friday, citing a leaked internal email. The Royaldutchshellplc.com website said U.S., Brazil, Argentina and Chile units would be affected. No one at Shell was immediately available for comment. (Reporting by Tom Bergin; Editing by Greg Mahlich)
