## Adolf Hitler And Royal Dutch Shell

A woman walks past a huge portrait of Nazi leader Adolf Hitler and a Reichsadler, the eagle symbol of the Nazi Third Reich at the exhibition 'Flagge zeigen' (Show the national flag), the Germans and their national symbols, in the museum of German history in Bonn December 3, 2008. The painting by Fritz Reusings from 1938 shows Hitler with the so-called blood flag used during Hitlers failed coup in November 1923. The exhibition will open in Bonn on December 4 and will last until April 13, 2009. REUTERS
